<b>BOAT TRIPS</b>										
Snorkling from a motorboat	No Charge					 Grab a snorkel, mask and a set of fins to explore the healthy coral reefs around &Beyond Vamizi Island. The best snorkelling spots are reached by motorboat with a guide, but there is also outstanding snorkelling to be had from the shore. This is a wonderful activity for both children and adults alike!	●			
Dolphin and Whale Watching	250	per person	2 hrs	Min 4; Max 8	Whale Watching season only	 Between July and September each year the humpback whales pass &Beyond Vamizi Island on their epic voyage from East Africa to Antarctica. They bring their new-born calves with them and the new families enjoy frolicking in the deep water channels around the island. The whale watching trips offer the perfect opportunity to see these incredible animals up close.	●			
Castaway Picnic	No Charge					 Indulge on a mouth-watering array of scrumptious picnic delights at one of the numerous secluded picnic spots scattered around &Beyond Vamizi Island. This is the ultimate desert island experience.				●
Kayaking	No Charge					 Choose from a selection of single or double kayaks and embark on a guided or solo kayaking adventure through the island's estuary at Muntu Nkulu. Glide effortlessly over glass-like water whilst colourful coral reef fish, turtles and cowrie shells pass just beneath you. Alternatively, drift silently through the mangroves in search of kingfishers, green herons and fish eagles.	●			●
Sailing and traditional Dhow Sunset Cruises	No Charge					 The regular trade breezes and calm seas afforded by the reef to the north of &Beyond Vamizi Island ensure the conditions for sailing are almost always perfect. A selection of Hobie Cats and dinghies are kept at the Dive Centre. Alternatively, more relaxed sunset cruises on a traditional dhow are a fabulous way to see out the day with a glass of chilled wine, whilst searching for dolphins and turtles.	●			●
Guided Nature walks	No Charge					 &Beyond Vamizi Island is home to a great variety of flora and fauna. There are a number of trails through the coastal forest and along the beach, stopping off in deserted sandy coves for a cooling swim. To get the most of these walks, it's best to go early in the morning with your resident guide who will point out samango monkeys and giant coconut crabs as well as a multitude of forest and coastal birds.	●			●
Turtle Watching and releasing	No Charge					 &Beyond Vamizi Island is home to green sea turtles that come up onto the beach to nest at night. If you're lucky enough to be there in season, you can witness this amazing sight. When the eggs hatch some baby turtles may be trapped in the sand and these stragglers are saved and released by the Conservation Team; a fantastic activity for children to be involved in! Included in guests stay.	●
