

How to Apply for a Mozambique E-Visa

(*Electronic Travel Authorization or Full Visa via <https://evisa.gov.mz>*)

Who Needs to Apply?

Before starting your application, please check which of the following categories applies to you:

SADC Citizens

If you are a citizen of a **SADC** (Southern African Development Community) country, you **do not need to apply for an eVisa**.

You are permitted to enter Mozambique for **30 days at a time**, up to a **total of 90 days per year**.

All you need is:

- A **valid passport**, ideally with **at least 3 months of remaining validity** from your date of entry
- (While 30 days may be accepted, we recommend 3 months to avoid any issues at immigration.)

SADC countries include:

Angola, Botswana, Comoros, Democratic Republic of Congo, Eswatini, Lesotho, Madagascar, Malawi, Mauritius, Mozambique, Namibia, Seychelles, South Africa, Tanzania, Zambia, and Zimbabwe.

Citizens of 29 Visa-Exempt Countries

Passport holders from the following countries are **exempt from needing a visa**, but must still register online via <https://evisa.gov.mz> to receive an **ETA (Electronic Travel Authorization)**.

These travelers pay 650 **MZN** (approx. **USD 11**) administration fee and **do not require a full visa**.

Visa-exempt countries (29):

Canada, Swiss Confederation, United Arab Emirates, State of Israel, United States of America, Russian Federation, Japan, Kingdom of Saudi Arabia, Kingdom of Belgium, Kingdom of Denmark, Kingdom of Spain, Kingdom of Norway, Kingdom of Sweden, Kingdom of the Netherlands, United Kingdom of Great Britain and Northern Ireland, Republic of Korea, Republic of Côte d'Ivoire, Republic of Finland, Republic of Indonesia, Republic of Ireland, Republic of Singapore,

Republic of Ghana, Republic of Senegal, Federal Republic of Germany, French Republic, Italian Republic, People’s Republic of China, Portuguese Republic, Ukraine.

If you are from one of these countries, continue with the steps below to request your **ETA**.

All Other Nationalities

If you are **not from a SADC country or one of the 29 visa-exempt countries**, you must apply for a **full visa** — but the process is done via the **same eVisa portal**.

The steps in this guide apply to you as well. The only difference is the **type of visa issued** and the **fee**:

- **9,837 MZN** (approx. **USD 150**) for a standard single-entry tourist visa

The system will automatically detect your country and apply the correct visa type and fee.
